Further, it aims to undertake and encourage research in the field of commerce and business management. It also brings out a tri-annual research journal *Orissa Journal of Commerce*. It comprises research-based papers and other information on key aspects of commerce, accounting and emerging research topics in business relevant to practitioners, academics, research scholars, students and professional bodies. It has a great legacy and rich tradition developed by its members. There are more than 1000 life members of this Association. The first Conference of Orissa Commerce Association was organised by G.M. College (presently G M University) at Sambalpur in 1970. The association regularly organises conferences/workshops on several contemporary themes keeping in view the changing needs of the economy and business. The Association offers both Life and Annual Membership for Individuals and Institutions across India.

A BIRD'S EYE-VIEW OF RAVENSHAW UNIVERSITY

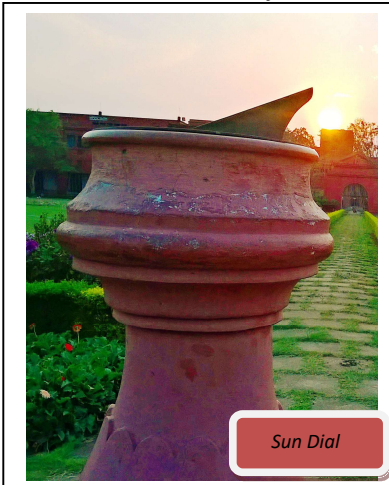

Provincial Assembly of Odisha from 1937-1952 (Heritage hall)

Kanika Library, the oldest library of the state 1922

Ravenshaw University came into existence on the 15th day of November, 2006. It was an upgradation of Ravenshaw College established in 1868. Ravenshaw is one of the oldest and largest colleges in India which subsequently became an autonomous college with CPE status by UGC and graded 'A' by NAAC. The College with all its glorious academic achievements and relentless scholarly pursuits had already created a distinct niche for itself in India and beyond. The history of this great institution is, in a manner of speaking, the history of modern Odisha. It was the cradle of ideas fostering national unity and nationalism, promoting social mobilization and gearing up the freedom struggle. The grand hall of this institution was a theatre of history on the 1st of April 1936. It was the venue for the declaration of Orissa as a separate province; thereafter it housed the state's first legislative assembly up to and even after Independence (1937-1952) till it was shifted to Bhubaneswar, the new capital of the State. During Quit India Movement of 1942, the students of this institution brought down the Union Jack as a mark of nationalistic fervor.

THE DEPARTMENT OF COMMERCE: A BRIEF

Higher Education in Commerce (I. Com.) was introduced in Ravenshaw College in 1957. Sri Paresh Chandra Roy was the first lecturer in Commerce and Classes were started in the then Room No 15 as staff common room of the Arts Block. As Cuttack was the centre of business activities, Commerce education gained popularity and the govt. backed by strong public demand, opened B.Com classes in Ravenshaw College in 1960. More teachers were posted in Ravenshaw and the course continued successfully. For the first time in the state, Honours courses were introduced with 16 seats. The team of teachers to steer Honours teaching in the state were Shri D P Nayak, Shri Guna Nidhi Sahu, Shri A P Nayak, Shri Haridwar Panda and Shri Swarup Sahu. In

July, 1968 the commerce classes were shifted to the new three storied building, now known as the Commerce Block while Prof Bidhu Bhusan Dash was the new principal. The idea of a separate Commerce Block originated in the mind of a renowned businessman of Cuttack, Sri Ranglal Modi, who donated a sum of Rs. 1 lakh to the Govt. of Orissa for this purpose in 1955. The Govt. took up the construction work at a later date and the total cost came to Rs. 7 lakh. Due to the increasing popularity of Commerce education it became essential to increase the number of seats in I.Com and B.Com classes were felt and Post Graduate class in Commerce was opened in 1977- 78. Now the department is having 272 seats in B.Com (all Hons seats) and 96 seats in M.Com. Both B.Com Hons and M.Com are having four specialization branches i.e. Accounting, Finance and Marketing. Entrepreneurship was introduced as a subject in Master degree with 32 seats in 2016. In 1991 M. Phil classes has been added to the department with 8 seats and subsequently it increase to 16 seats. In 2006 research degree in commerce and management started with Ph. D. and D. Litt. Highly meritorious students from all over India and neighbouring states like Bihar, Chhattisgarh, Jharkhand and West Bengal also consider this department as their first choice for admission. The department for its high standard of teaching and academic excellence was ranked sixth among the top ten institutions imparting Commerce education in the country by a survey conducted by India Today in 1997. During its long journey of the department has been served by some of the eminent teachers of the state who have glorified the department by their contributions. The deptt has nurtured many scholars, entrepreneurs, bankers, professionals, lawyers, administrators and business tycoons.
